

Mid-year admissions

Children without a school place

If you have recently moved into the borough of Wandsworth and require a school place for a child you will need to complete Wandsworth Council's application form for in-year admission. Parents and carers should contact Wandsworth Pupil Services to find out the availability of places in the schools in Wandsworth, and to obtain an application form.

Children who already have a school place

If your child already has a school place in the area, but you want them to transfer to a different school, you should discuss this with the headteacher of their current school before making an application. Problems at school can often be sorted out without the need to change schools.

If a change of school is necessary, you will need to request a transfer form from your local authority. The move should take place at the beginning of a term or half term, wherever possible. Parents and carers may not legally withdraw their child from school unless they have arranged a place in another school or made alternative arrangements for their child to receive full-time education.

How to contact your local authority ...

Wandsworth Pupil Services

Tel: 020 8871 7316

Email: admissions@wandsworth.gov.uk
